Louise Green
Denise Rundall
Deanna Rundall
Alicia Taylor
Rivertown Merchants

We at the Celebrate Antioch Foundation hope you are doing well, and the last year has been one of peace and happiness for you, your business and your families as we all recover from the pandemic.

We are excited to be heading into our 12th year, growing our foundation, expanding to support additional celebrations and events for the citizens of Antioch. Many of our events, Antioch's 4th of July, Father's Day Car Show, the Spring Art and Wine Walk, September Peddlers Faire and the Fall Fest and BBQ Cook-Off have had remarkable success.

The mission of Celebrate Antioch Foundation is to bring our community together to celebrate. We hope you agree with us that through these events we are enhancing the quality of life and economic vibrancy of our Antioch community. We are proud to be a nonprofit, all-volunteer organization and all monies we raise go directly back into organizing quality and safe events for Antioch and East County residents. It is only because of committed sponsors and partners that we can continue this work on behalf of our community.

As you may know, the Celebrate Antioch Foundation was created by private citizens in response to devastated City budgets. Antioch's 4th of July celebration had a two-year absence until Celebrate Antioch Foundation brought back this important community celebration in 2012. Since then, we have added 8 annual events to our calendar that have attracted thousands to participate in our hometown parades, car shows, wine walks and events in Antioch's historic downtown.

We hope you will consider joining with us as a sponsor. You can find out more about our foundation on our website at celebrateantioch.org. Please do not hesitate to contact us with any questions. We are a nonprofit 501c3 organization and your sponsorship may be tax deductible. We look forward to your support and participation in another great year of celebrating Antioch.

Yours in Service,

Joy Motts

President, Celebrate Antioch Foundation
